Dear Parents:

We thank you for your support and continued involvement in our work during the 2015-16 school year. Together, we have accomplished great things, and it is our intention to successfully wrap up the year. As you know, safety and security is one of our most important priorities. The high school principals have established procedures and expectations specific to the final days of the year. Please review the expectations below, and discuss with your student the seriousness of safety and security.

- 1) No backpacks, athletic bags or duffle bags will be allowed on campus after May 20th.
- 2) No lockers will be available for usage after May 20th.
- 3) Textbooks will be collected prior to May 26th.
- 4) Extra personnel have been assigned to each campus, including 24-hour security.
- 5) Extra security cameras are available on campuses.
- 6) Students must leave the building immediately at the 3:40 p.m. bell. There will be limited scheduled activities on campus after 3:40 p.m. after May 20th.

Students who disrupt the learning environment will be subject to suspension and further disciplinary action per the Keller ISD Student Code of Conduct. Seniors who involve themselves in such disruptions will also be suspended from walking in the graduation ceremony, according to Policy FMH Local. For students who are not seniors, involvement in disruption of the learning environment is punishable up to and including DAEP placement for 60 days to include next school year.

We thank you for your support to make KISD campuses safe for all students. Should you have questions or concerns, please do not hesitate to call.

Sincerely,

Todd Tunnell – Principal TCHS
Michael Nasra – Principal KHS
David Hinson – Principal CHS
David Hadley – Principal FRHS
