TIMBER TAKES DOWN IRVING NIMITZ 36 TO 21 IN HOME OPENER

The crowd is counting down the last few seconds with the clock. Once it reaches zero, the band plays the Fight Song with pride while everyone is on their feet cheering for our team. Timber Creek just won their first football game of the season against Nimitz.

"We prepared ourselves mentally and physically for this game," Cain Villanueva stated.

"It was a great feeling to get back out there." Dylan Niles says that, "the team was confident going in. We knew we could handle Nimitz and that the only thing that could possibly stop us was our own mistakes."

In the first quarter, Timber Creek took the lead with a touchdown from quarterback Dylan Mccrary in the last four minutes. Nimitz then scored a touchdown from a 57 yard pass at 2 minutes and 18 seconds left till the second quarter. Another touchdown scored by Nimitz puts them in the lead with less than a minute left in the first quarter.

In the second quarter, an amazing touchdown grab from Erik Ezukanma scored

Timber Creek another six points, along with a two point conversion, and put them in the lead 15-14. Nimitz then caught up with a 52 yard run touchdown, making the score 21-15 at the end of the first half, with the Vikings in the lead.

In the last half, Timber Creek started their comeback with another touchdown, putting the score 22-21, with the Vikings one point behind. At 10 minutes and 15 seconds left, Adrian Ranete passed from the 17 yard line to Nick Nelson, scoring yet another touchdown for the Falcons. Blake Irving scored the last touchdown of the game with a nine yard run at two minutes and 43 seconds, making the final score 36-21.

A feeling of victory rushed over the crowd, and especially the team.

"It felt amazing when we won, like the team could take on anything. I was elated," Niles expresses. "There is such a rush gained after every win, and all the hard work put into preparing for the game becomes worth it."

Villanueva states that the win, "has given us a boost of confidence in that all our hard work was worth it."

The team now shows a sense of confidence after the win. "This season will be great for us. We are going to have tough games, but we will overcome any adversity thrown at us and work our way into the playoffs," Niles proclaims. "We will be a hard team to stop."

"My team means the world to me. These guys are my brothers," Niles said about his feelings for his team. "We have worked hard for this and we have created bonds that will last a lifetime."

VOLLEYBALL SENIOR NAMED STAR-TELEGRAM PLAYER OF THE WEEK

After Timber Creek’s volleyball placing second at the Berkner tournament, senior Kenna Muff won the Fort Worth Star-Telegram’s volleyball player of the week as of Aug. 27 to Sept. 3. Awarded this title after playing center and right side, Muff herself did not campaign for player of the week, crediting this achievement to her team’s hard work in the games.

“I just played the best I could but in order to get player of the week you have to work as a team, your team has to do good in order to get recognized,” Muff said. “So since our team played really well in that tournament I was able to be recognized.”

Fellow players like junior Anna Thomas also commented on Muff’s performance as well as the fundamentals of the team, always looking towards their future goals both individually and together.

“[Kenna Muff] did play very well in the game...our team is looking very promising as we head into district,” said Thomas. “We had a successful preseason, [and] we have worked hard and developed our team IQ. Based on the potential

we possess and what we have seen from our future opponents, I see us finishing at the top of our district.”

Muff has been playing volleyball recreationally since elementary school but did not start playing competitively until she was in the seventh grade.

“Being a volleyball player [provides] a place where I can be myself and the game itself is just a very competitive game and it is fun and that is the most important thing,” said Muff. “The volleyball team [works] well together and have worked hard to elevate our strengths and minimize our weaknesses.”

She has also committed to playing volleyball at the college level at Texas Woman’s University but says she does not plan on playing professionally after that.

“Volleyball at the collegiate level has always been a goal of mine,” Muff commented. “[But] like most college volleyball players, I want to start my life after college too. Winning player of the week has been a great way to not only show my efforts but also show the team’s efforts... in order for one of us to get recognized our team must get recognized first. We have all worked hard to show the [team is] on the rise.”
