

Senior Painting Rules

Dear Parents,

The following will serve as guidelines for the painting of senior parking spaces during the 2017-2018 school year:

1. Painting will take place TBD. Make-up days will be TBD.
2. **All purchased spaces must be painted prior to October 1st with no exceptions. If not painted, your space will be resold, with no refund, to avoid issues with students parking in unmarked spaces within the senior lot.**
3. No painting will be allowed unsupervised by STUCO, senior class sponsors, or parents.
4. Spaces to be painted will be the space number that you choose during parking selection. If you are not sure, **ASK**. If you paint someone else's spot, you will have to provide paint/supplies/or money to cover supplies to cover your error.
5. Tailgating atmosphere is welcomed, but any inappropriate items will result in the student(s) being asked to leave and loss of painting privileges with **no refunds**.
6. Beverages will be available for purchase.
7. **No profane vocabulary will be painted.**
8. **No offensive or vulgar remarks will be painted.**
9. All colors are welcome, but keep in mind fading and durability.
10. The lot will NOT be cleaned by a power wash company.
11. **Paints are to be purchased by the student.**
12. Cleanup will be required the days of painting. Please keep this in mind and allow for enough time to pick up after yourself.
13. A primer will help create a faster seal before putting color down, according to multiple advisors within the paint industry.
14. Advisors also suggest only purchasing paint meant for concretes as a base coat.
15. As a suggestion, please seek advice from the following retailer. Purchases there are much appreciated. This location has supported and continues to support our school and our community.
16. Cleaner concrete spaces may require more paint than more painted spaces. Please keep this in mind.
