

## STUDENT PARKING GUIDELINES

### ADDENDUM

**With the amount of traffic on and around campus it is very important to TCHS Security that parking is maintained in an orderly fashion. In order to accommodate the needs of our students, faculty, staff and guests we have established parking guidelines that are designed to eliminate confusion, parking overflow, and help guarantee a space for those who have purchased parking permits.**

**We ask that you please take a moment to read through our parking guidelines and ask that you obey them while on campus in order to avoid the additional expense, consequence and hassle of “booting.”**

**Your support and cooperation is greatly appreciated.**

### SECURITY OFFICERS

Security Officers are present to help students and to prevent problems. Security Officers are to be respected and their reasonable requests obeyed. The Security Officers have been trained to work respectfully with students and monitor student behavior appropriately. It is the student's responsibility to stop and show their dismissal pass, parking permit, or ID/driver's license respectfully to the Officer.

### LEAVING CAMPUS / “SKIPPING” / ATTENDANCE

Students who violate the KISD Student Code of Conduct, page 49 and have been granted parking privileges are in violation and subject to suspension of parking privileges as a consequence as stated on page 17, *“Withdrawal of privileges,...Restriction or revocation of district transportation privileges.”*

#### *“During Lunch*

*No student shall be permitted to leave campus during lunch except as approved by the principal, on a case-by-case basis in response to a parent's written request.*

*Students who leave campus during lunch or at any other time without administrative approval shall be subject to disciplinary action in accordance with the Student Code of Conduct. [See policies at FEE]*

#### *At Any Other Time during the School Day*

*Students are not authorized to leave campus during regular school hours for any other reason, except with the permission of the principal.*

*Students who leave campus in violation of these rules will be subject to disciplinary action in accordance with the Student Code of Conduct.”*

### ONE-DAY PASS

Students without permits may purchase a One-Day Pass from the Security Office for \$2.00 per day. The pass is good to park one day in the GENERAL LOT only. Students who attempt to purchase a One-Day Pass while on parking suspension risk having their annual parking pass revoked for the remainder of the school year.

### **NON-DESIGNATED PARKING AREA**

All vehicles are required to park within one properly marked designated parking space. Vehicles parked in areas other than designated for parking will be in violation. If your vehicle tires are over the lined space and begin to take additional space in the next stall it is a violation. Due to limited parking spaces, purchasing more than one reserved space for one vehicle is prohibited and in violation.

### **BLOCKING DRIVEWAY**

No vehicle shall block any driveway within the property at any time. Blocking or preventing entry or exiting of vehicles into any area is a violation.

### **NO VALID PERMIT DISPLAYED**

All personal vehicles are required to have a valid TCHS PARKING PERMIT/DAILY PASS AT ALL TIMES. All TCHS parking permits and daily passes must be clearly displayed at all times when the vehicle is parked on campus. Failure to display a valid TCHS parking permit/daily pass will be in violation.

Permits must be affixed to the windshield solely by the adhesive on the permit. No tape nor any additional adhesive is allowed. No plastic can be attached to this window sticker. No upside down permits. Failure to display the TCHS parking permit properly as required will be in violation.

### **PERMIT NOT REGISTERED TO VEHICLE**

All vehicles that shall possess a TCHS parking permit MUST be registered with the Security Office. This includes any secondary vehicle. Any vehicle parked on the property displaying a valid TCHS permit, but is not registered with the Security office is in violation.

### **RESERVED PARKING**

No student, faculty, staff, guest or vendors shall park in any reserved/assigned spaces at any time unless you are the owner of that space and have properly displayed the required permit. Those vehicles parked in such spaces without displaying the proper permit will be in violation and subject to citation, immobilization and/or tow. Vehicles parked in a reserved parking space other than assigned by the Security Office will be in violation.

### **RESTRICTED PARKING / "STRIPPED" AREAS**

No vehicle shall park in any area/space designated as Restricted. Restricted areas have required signage that dictates what type of valid KISD permits are allowed. Please read signage at the entrance to all lots and open areas on the campus prior to parking. Failure to read the posted signs or adhere to its listed restrictions will be in violation.
