## Class of 2022

Dear future Falcons and Families,

The end of the school year is nearing and your 8<sup>th</sup> grade students are very close to becoming official high school students. To help ensure a smooth transition from middle school to high school, Timber Creek offers a half day fish camp program for students to become familiar with many aspects of the school. Falcon Fish Camp will include guest speakers, campus tours, a pep rally, organization fair, and much more.

All supplies needed for the day and a t-shirt are included in the price. This event is planned and implemented by the Timber Creek Student Council to give incoming students the best understanding of what to expect in high school.
