September 25, 2018

Dear Timber Creek High School Parents and Families,

In an effort to keep you informed, I wanted to let you know that our campus was alerted today about a video that was taken at an unidentified location off campus, which included a few of our students surrounding an individual holding what appeared to be a handgun. While there were no injuries reported as a result of the alleged weapon, the Fort Worth Police and Keller ISD Security Departments were immediately contacted. The Timber Creek Administration has taken appropriate action regarding the students in the video and is cooperating with the Fort Worth Police Department's investigation of this incident.

Today's incident has no connection to the information that I shared yesterday. At this time, there is no known threat to our school, however, there will be additional security at Timber Creek High School to support our efforts in providing a safe learning environment.

In Keller ISD, student safety is our top priority. I appreciate your support of Timber Creek High School. If you have questions regarding this or any other matter, please do not hesitate to call our office at 817-744-2300.

Sincerely,

Michelle Somerhalder
